

April Meeting Minutes

April 18, 2013

The April meeting of the Three Rivers Model T Ford Club was held at the Round Table Pizza in Kennewick. The Meeting was called to order by President Larry Coder with the Pledge of Allegiance.

Treasurer's report was presented by Mike Porter. We have money in the bank and the report was accepted by motion, seconded and unanimously accepted by those present.

Secretary's Report. March minutes were presented in the April newsletter. Motion was made to accept the minutes as presented, seconded and passed by vote.

Old Business

Lavender Festival Tour in Hermiston. Bill advised us that they have requested our cars be on display from 10AM to 6PM. Those that want to go will meet at Jim and Phyllis's home, and then drive over.

Dean and Wanda's tour to Chinook pass is being rescheduled to October. The date is not yet set. We will be staying at the Stokes' cabin and a neighbor's cabin. They have assured us that there will be plenty of room.

Gary Ellingson's tour to Grand Coulee will be moved back to September 9-12. More information will be coming at upcoming meetings.

Dave Ottem's tour to Othello will happen on May 15. Since this is a day before our usual monthly meeting date, it was decided to have our meeting while on that tour. There is construction going on around Road 68 and has resulted in a full parking lot at Wal-Mart. Therefore, it was decided to meet at Mike and Linda Porter's home at 4202 W 10th Ave at 9AM. The drive will be approx. 40 miles from Pasco. Lunch will be provided.

Club Patches. The club patches have been received from Graphic Apparel. Discussion involved how much to charge for the patches and a motion was presented, seconded and passed to charge \$16 each. This is 31 cents less than our cost. We are not allowed to make money on the patches according to our non-profit status and the rounded number should be a little easier to account for. Dale and Sharon had their jackets with the patches on. Several members expressed an interest in them so the catalogs from Graphic Apparel will be available at the next meeting.

New Business

A letter was forwarded to the club via Jane Armstrong from Rick Shanks. He is looking for interest in orders for his "Wearever" transmission band linings at wholesale prices.

Roster. A request was made for a pocket sized club roster with phone numbers to be distributed to the members. This would include the cell phone numbers as well at home

phone numbers. We have made a decision to avoid printing phone numbers and addresses in the newsletter and website for security reasons. Dale has agreed to work on an updated roster in the smaller format, hopefully by the next meeting.

Marlene reported that they took the Tudor out for the first spring drive after the steering repairs. They suffered a blowout and were blessed with volunteers to change to the spare.

No further business to be presented, a motion for adjournment was made, seconded and passed. Next meeting at the Ottem's May 15.

Respectfully submitted,

Dale Peterson, secretary
